Granville county's court house is
being enlarged and remodeled.

The next State conference of the
Northern Methodist Episcopal
Church will be held in Asheville
this week.

The congregation of St. Stephen's
Episcopal Church at Goldsboro,
has extended a call to Rev.
C. L. Hoffman to be Rector.

Mrs. William H. Vanderbilt and
Mr. George Vanderbilt are passing
the winter at Mr. George Vander-
bilt's estate, "Biltmore," Asheville,
N. C.

Mr. T. C. Worth, who died a few
weeks ago at Greensboro, was in-
sured to the amount of \$20,000
which was paid over to his estate
last week.

The body of J. S. Berryhill was
found cold Saturday in his grocery
store at Charlotte. He had died of
heart disease, without a struggle.
The body was on a counter, covered
by some coats.

The steamboat owned by Capt.
O. R. Rand, of Goldsboro, will
make the first trip next Tuesday to
Seven Springs. Capt. Rand has
issued twenty-five invitations to
friends to go down with him.

We sincerely regret to learn of
the affliction which has been visited
upon the household of Mr. Jerome
Dowd, editor of the Mecklenburg
Times, in the death of his little
child, which occurred at Newton
last week as we learn from the Char-
lotte News.

Saturday afternoon at Durham
little Julia, the three-and-a-half year
old daughter of J. W. Wright, was
left a few minutes in a room. A
few coals remained in the fire place.
Her mother heard screams, and run-
ning into the room found the girl's
clothes had ignited, and the child
burned in a fearful manner. Her
condition, the Sun states, is critical.

If the reports are true that the
Lynchburg & Durham Railroad
will go into the hands of the Nor-
folk and Western Railroad, the Sun
thinks Durham will not lose any-
thing by the deal. It will rather
be a big thing, bringing to Durham
a strong and progressive railroad
company, and one that will push
the road, and will open the coal dis-
trict.

From prominent citizens of South
Rowan, the Concord Standard
learns that a raid was made on the
brandy distilleries of that section
Friday. Pless and his bandy were
both seized, D. E. Alexander's man-
ufacture was overhauled and George
Cline's place was visited. Mrs.
Cline said the revenue officers abused
the women by beating them over
the head and swearing in the ab-
sence of the men.

The Wilmington Star has ad-
vices of a terrible outrage on a re-
spectable young white girl at Frank-
linville, Macon county. The vic-
tim is a Miss Russell, aged sixteen.
She had been suffering all day with
toothache, and after nightfall, throw-
ing a shawl over her head, went
out of the house, when she was as-
saulted by an unknown man, who
overpowered and choked her, leav-
ing her insensible upon the ground,
where she was found sometime af-
terward by members of her family.
There is no clue to the criminal,
but a posse of citizens is scouring
the country, and if the guilty party
is caught a lynching will follow.
Miss Russell is reported to be in a
precarious condition, with little
hope of recovery.

P. P. P.

is recommended by physicians because
they see its healthy effects all around
them.

A leading physician in New York
and director of one of the large hos-
pitals, says, Feb. 8, 1890, he has made
use of the P. P. P. sent him, and was
pleased to say P. P. P. proved effica-
cious in a number of cases, and adds,
it is no more than he should have an-
ticipated from the satisfactory combi-
nation of such well-known drugs.

A prominent railway superintendent
of Savannah (name given on applica-
tion) says he was crippled by a disease
in legs and arms, powerless to walk or
eat without assistance, having lost the
use of his limbs by rheumatism, ma-
laria, dyspepsia, etc. Physicians here
sent him to New York and they re-
turned him here, and he was as com-
plete a wreck as one could be and live.
A course of P. P. P. has made him a
well man.

P. P. P. is known among physicians
in the South for its various and won-
derful cures as the great purifier of the
age.

Blood Poison

Primary, Secondary and Tertiary
Syphilis, old sores, pimples, blotches,
scrofula, blood and mercurial poison
and skin diseases are eradicated by the
use of P. P. P. Hosts of certificates
are in office to show the cures in these
diseases where all other medicines have
failed.

Rheumatism

Inflammatory, gout, sciatic and its
kindred diseases with its excruciating
pains are cured by the wonderful blood-
cleansing properties of P. P. P. [Prick-
ly Ash, Poke Root and Potassium].

Catarrh

Originates in scrofulous taint. P. P. P.
purifies the blood and this prevents
catarrh.

For Old Sores, Skin Eruptions, Pim-
ples, Ulcers and Syphilis, use only P.
P. P., and get well and enjoy the bless-
ing only to be derived from the use of
P. P. P.—Prickly Ash, Poke Root and
Potassium.

MUTUAL LIFE INSURANCE CO.

OF NEW YORK.

RICHARD A. McCURDY, President.

Assets.....\$147,154,961 20

Liabilities.....137,173,727 82

Surplus.....\$9,981,233 38

When solicited to insure in other Compa-

nies, remember that THE MUTUAL LIFE

INSURANCE COMPANY of New York is en-
titled to your first consideration, since it

holds the foremost place among the Life

Insurance Institutions of the world, and

offers superior advantages in all the fea-
tures of business, together with unequalled

financial security.

1.—It is the OLDEST active Life Insur-

ance Company in this country.

2.—It is the LARGEST Life Insurance Com-

pany in the world.

3.—It is the STRONGEST financial institu-

tion in the world, its assets amounting

to more than \$147,000,000.

4.—It is the SAFEST Company in which to

insure.

5.—It is the CHEAPEST Company in which

to insure. Its large dividend return

reduces the final cost of insurance to a

minimum.

6.—It is the BEST Company in which to

insure, as it combines all the advan-

tages of age, large and select mem-

bership, financial strength, absolute

security, and the cheapest insurance

that is honestly possible under any

contract which has a definite value to

the beneficiary.

7.—It has no stockholders to claim any

part of the profits. The assets and

surplus all belong to the insured.

8.—Its ratio of expenses to receipts shows

the most economical management.

9.—Its New Policy is the most liberal ever

offered by any Insurance Company.

10.—It places no restrictions upon Travel,

Occupation or Residence after be-

ing two years in force.

11.—Being practically NON-FORFEITABLE

and UNCONTINGENT it provides a lega-

cy and not a lawsuit.

12.—It is the SIMPLEST and most compre-

hensive form of Insurance Contract

ever issued. If the Policyholder pays

his Premium while he lives, the Com-

pany will pay the full value of his

Policy when he dies.

13.—All Claims are paid immediately

upon acceptance of proof of death.

14.—The DISTRIBUTION POLICY of this Com-

pany presents a most attractive in-

vestment feature. It not only accu-

mulates the surplus arising from the

premiums over the cost of the insur-

ance on each policy in force during

the Distribution period, but increases

it by compound interest.
